JOIN US:

This 1-day product school event will offer you the opportunity to learn about Electro Industries' heating products. Training will include application installation ideas as well as strategies for selling electric heating products. Products we will cover include:

- NorAire® Air to Water Heat Pump Boiler
- Electro's new EZBoiler® line with sizes from 1 kW to 36 kW
- The new Mini-Boiler™ and Midsize Boiler lines
- Plenum Heaters for forced air applications
- Packaged Make-Up Air
