Buy 6 AprilAire Dehumidifiers, Get 1 FREE!

Valid on purchase of full-price AprilAire e-series Dehumidifier models E050, E070, E080, E100, E130, and Wi-Fi models from June 1–August 31, 2026 and submitted to AprilAire by September 30, 2026. If multiple models are purchased via the promotion, the free unit redeemed must be of equal or lesser value than most of the units purchased.

Redemption of free dehumidifier is through AprilAire; access the online form using the QR code. Goodin is not responsible for fulfilling promotion requests.

Goodin Company inventories a vast array of AprilAire products to help you support a healthy air environment for your customer. Boost the health benefits of a dehumidifier with a whole house electronic air purifier or air cleaner, an ERV for fresh air ventilation, and the controls to fully connect and support it all.

Air Cleaner and Media

- Industry-leading filtration providing low static pressure and a broad range of MERV options
- Extends HVAC system life with a guarantee to keep coils clean
- Removes up to 99% of airborne and allergy pollutants

Fresh Air Ventilation

- Brings in clean air, diluting indoor pollutants, odors, and VOCs
- Helps control humidity, reducing mold growth and moisture
- Supports a healthier home by preventing stale, stuffy air

Healthy Air System Controls & Zoning

- Balances indoor temperature and air quality
- Boosts energy savings year-round
- Allows remote control and automation
